Re: Scott v. The City of Mount Vernon, 14 cv- 04441 (KMK)

Dear Honorable Judge Karas:

I write to join the motion for additional time made by the defendants in this case. The changes in defendants' representation have presented one issue that has worked to delay depositions in this case. However, need for an extension of time does not arise solely on the defendants' side. The plaintiffs' family suffered two deaths within the past ten days, which would make it very difficult for them to appear for depositions in the immediate timeframe that the current schedule sets forth. Therefore, I respectfully request that the Court grant the defendants' motion.

Respectfully submitted,

David Thompson
